'**anthology travel**

June 4th, 2020 - the way anthology travel approaches travel planning is different we examine your travel wishlist and goals and work collaboratively with you to bring them to life what does that mean it means thinking holistically about what part travel plays in your life is it an escape valve from a high pressure job''***the three types of travel writing and their uses***

June 4th, 2020 - travel writing is a popular genre we live in an age of travel where it is easy to plan a sojourn to the most remote of locations most people today hardly give a thought to the fact that their routine international destinations of travel were until very recently accessible only by ship or overland travel'
