tasks to tackle their script
supervising jobs'

'here s why script supervisors are the no film school

May 25th, 2020 - the script supervisor is the glue that holds the entire production together being a script supervisor is the best path to directing at least that s what bob byington swore when he sat down with us at sxsw 2017 for a podcast last week the sad truth however is that not many people actually know what the job entails''
