May 13th, 2020 - verified
purchase if you are a matchbox
regular wheels collector 1953
1969 series then this is the
book for you very clear pictures
of both model and box variations
from the early lesney period
while a number of the very rare
mb variations aren't present
which is a shame e.g. red version
of model 45 a vauxhall victor
photo recently on ebay auction
this doesn't detract from its
usefulness as an overall guide
hence the four star

rating' 'matchbox price guide the regular wheels era 1953 1969
