brake light switch
air YouTube***

June 13th, 2018 -
this video shows
how to replace a
brake light witch
air electric and
air primarily work
the same this
truck is a big rig
but most smaller
truck and cars are
the same this one
is a pressure
switch rather than
a voltage switch
please click my
name under the
video to view all
my easy way to how
to and quick way
