a systematic review of  
research on after death  
February 18th, 2020 - in this  
study after death munication  
adc is defined as  
spontaneously occurring  
encounters with the deceased  
reported occurrences of adc  
phenomena range widely  
among published adc  
research studies so a  
systematic review of 35  
studies was conducted a  
rubric was developed to  
evaluate the methodological  
quality final inter rater  
reliability among three  
raters was r 90'
