### now is the perfect time to memorize a poem the cut

May 26th, 2020 - one of my enduring party tricks not terribly well loved though forever delightful to me is my habit when drunk of reciting the opening 18 lines of the prologue to the canterbury tales whan that aprille with his shoures soote the droghte of march hath perced to the roote the beginnings of the pilgrimage to canterbury when april showers bring the spring after march s'

### 'thomas chatterton poetry foundation

May 22nd, 2020 - of all english poets thomas chatterton seemed to his great romantic successors most to typify a mitment to the life of imagination his poverty and untimely suicide represented the martyrdom of the poet by the materialistic society of his time william wordsworth listing in resolution and independence 1807 those poets to whom he owed most describes chatterton as the marvellous'
