'atheism the conservative historical review

June 1st, 2020 - in the discourse on the origins of inequality rousseau imagines a multi stage evolution of humanity from the most primitive  
condition to something like a modern plex society which in his day emerged at the dawn of what postmodernism seeks in modernity to  
deconstruct based on rousseau s device for separating the natural and the artificial elements of our psychology at each'

'the symbolist movement its origins and its consequences

May 8th, 2020 - the paper attempts to broaden and enliven the symbolist movement discourse through an exploration of its manifestations in life  
beyond the genres of art in an era of globalization the framework of kundalini yoga from the east is used to highlight the relationship between  
consciousness and art and widen the conceptual horizon of the western symbolist movement'
