'the analysis of musical dramaturgy in mozart s die

May 15th, 2020 - it has long been recognized that the music of mozart s singspiels bears more dramatic weight than that of most eighteenth century german ic operas yet this view arises from a body of scholarship that heavily privileges die zauberflöte at the expense of mozart s other german language operatic works including die entführung aus dem serail 1782 which constituted mozart s first big"**die entführung aus dem serail work opera online**
