Paleoclimatology Data National Centers for Environmental

January 6th, 2014 - Paleoclimatology data are derived from natural sources such as tree rings ice cores corals and ocean and lake sediments These proxy climate data extend the archive of weather and climate information hundreds to millions of years The data include geophysical or biological measurement time series"**Paste JPEG image on Clipboard to Access Image object**

May 5th, 2018 - I get the image to the clipboard no problem I manually open a paint program and paste it in there and the image pastes just fine The problem is that I want to have the user press a command button which calls code to grab the image that is in the clipboard and paste it into my image object on the form and into the blob field for the current'
