May 19th, 2020 - learning react is ideal for web developers and software engineers who understand how javascript css and html work in the browser but have no prior understanding of react functional javascript flux or even advanced javascript this book covers both es5 or es6 syntax mostly used

---

with react"1 wele to react  
learning react book  
March 22nd, 2020 - chapter 1  
wele to react react is a  
popular library used to create  
user interfaces it was built at  
facebook to address some of  
the challenges associated with  
large scale data driven  
websites when react was  
released in 2013 the project  
was initially viewed with some  
skepticism because the  
conventions of react are quite  
unique'
