the essential drawing tools needed to get started with manga
artwork it also includes a tips and techniques brochure that
details how to draw the head and face of a manga*

*character'***'top 10 tips for drawing killer manga**

**June 4th, 2020 - 5 accept criticism it s important to share
you work with others to get their honest feedback but don t
take criticism personally if someone says your manga
character s eyes seem a bit off or the way you draw poses
could use some character study take this as a challenge for
yourself to do better there is such a thing as negative
criticism however'**
