---

---

*December 16th, 2019 - Adding non  
Drupal PHP extensions or libraries  
to your application¶ The Acquia  
Cloud platform includes a standard  
set of PHP extensions that are  
available on all servers Your  
application might however require  
additional PHP extensions to  
support its own desired features'*

**'libraries override not working on  
Drupal 8 drupal**

**December 23rd, 2019 - libraries  
override not working on Drupal 8  
I m trying to figure out how I can  
remove the default css libraries of  
Drupal 8 on the theme I m  
working on I tried using libraries  
override to remove a specific CSS  
but it doesn t seem to be working  
The css file is still showing'**

**'Libraries Webtools**
