know the value of all
goods and services

produced not just the output of a single product while there are some other differences between the supply curve of a single product and aggregate supply the''how can we use fiscal policies to

stabilise the economy

June 6th, 2020 - in any economic debate looking at the data is always a good starting point and the latest issue of the fiscal monitor does exactly that our study looks at the experience

with fiscal
stabilization during
the past three decades
in a broad sample of 85
advanced emerging
market and developing
economies' '**the case
against active
stabilization policy**

economics

June 2nd, 2020 - the
case against active
stabilization policy
some economists argue
that the government
should avoid active use
of monetary and fiscal
policy to try to

stabilize the economy
they claim that these
policy instruments
should be set to
achieve long run goals
such as rapid economic
growth and low
inflation and that the
economy should be left

to deal with short run
fluctuations on its
