joseph mallord william turner biography life and works

June 6th, 2020 - the popular confusion between genius and madness is clearer than ever in the biography of joseph mallord william turner 1775 1851 whereas he had been at his beginnings an academic painter turner was slowly but unstoppably evolving towards a free atmospheric style sometimes even outlining the abstraction which was misunderstood and rejected by the same critics who had admired him for"the life and masterworks of j m w turner eric shanes
